How to use this powerpoint

- If Paper:
    - Distribute to students in digital format, OR use together in class with "4 Square" worksheet
    - Students fill out one 4 square paper for each vocabulary word assigned
    - Keep all 4 square papers in their interactive journals or other easy to access location.

- If Digital:
    - Students go into each slide and fill in the missing information
    - Students replace the "photo" icon with a picture from the internet that represents the vocabulary word.
    - Students replace the "sign" icon with a picture or video of his/herself signing the word.
    - Students email their completed powerpoint to the teacher, or teacher uses rubric to assess powerpoints on individual devices.
