

Name: _____

Directions: Complete the following trails using a pencil, pen, marker, crayon, colored pencil, or even paint! Note: All characters are used for these activities.

The worksheet features four vertical columns for tracing activities. Each column is bounded by two vertical lines and a dashed vertical line in the center. The top of each column is marked by a horizontal line with a character illustration above it. The bottom of each column is marked by a horizontal line with a food item illustration below it. The tracing paths are as follows:

- Column 1:** A mouse character is at the top. A zigzag tracing path starts from the top center dashed line and moves down to the bottom center dashed line.
- Column 2:** A pig character is at the top. A zigzag tracing path starts from the top center dashed line and moves down to the bottom center dashed line.
- Column 3:** A bear character is at the top. A spiral tracing path starts from the top center dashed line and winds down to the bottom center dashed line.
- Column 4:** A dog character is at the top. A zigzag tracing path starts from the top center dashed line and moves down to the bottom center dashed line.
