

Name: _____

Date: _____

JUMANJI

Directions: Make four inferences while reading the book *Jumanji*. The first is done for you.

Information from the book + What you already know = Inference

What the book says:	What I already know:	My Inference:
Mother and father were going to the opera. Judy and Peter giggled when they left.	Kids love to be home alone because parents are not there to enforce rules.	Judy and Peter will get into trouble.
