

Creative Writing Brainstorming

Which of the following will you choose to do?

- Write my own story using the "three wishes" topic.
- Write an alternate ending to show what Mr. White really wished for as his third wish and what happened after.
- Write a prequel telling the story of Sergeant Major Morris or the original owner of the paw.

Think of three different story ideas. Write one or two sentences about each idea, or draw out your ideas using simple shapes and stick figures.
