

## Charlotte's Web – Chapter 10

Directions: Answer each question thoroughly with complete sentences.

1. Why does Charlotte think she can fool Mr. Zuckerman?

Charlotte thinks she can fool Mr. Zuckerman because she believes people are not as smart as bugs and she is good at fooling bugs. (Page 67).

2. Describe the “crisis” with Avery’s frog.

The "crisis" was that Avery's frog jumped into Mrs. Zuckerman's dishpan that is filled with soapy water. All the splashing was getting the blueberry pie everywhere too. (Page 68).

3. Why does the book say that “mothers for miles around worried about Zuckerman’s swing?”

The book says that "mothers for miles around worried about Zuckerman's swing" because they are afraid some child will fall off from the rope but no one has. (Page 69).

4. How is Charlotte saved from being captured?

Charlotte was saved from being captured when Avery lost his balance and fell into Wilbur's trough which tipped over and broke the rotten egg. The rotten egg broke which caused a horrible smell that made Avery leave. (Page 72).
