Charlotte's Web

Chapter 12 Questions

Directions: Use complete sentences to answer the following questions.

1. Why do the animals have a meeting?

Charlotte requested a meeting to receive ideas for the web. She

needs another message to weave into the web. (Page 87).

2. What do the animals want Templeton to do?

The animals suggests that Templeton can help find out how to spell words correctly by visiting the dump where old magazines are and bring

up a clipping of the magazine to the barn cellar. (Page 89).

3. Why did Templeton decide to help?

The sheep brought up that if he does not help, then the pig will be killed, which means his main supply of food is gone. When his main food supply

being gone, he will be dead next. (Page 90).

4. If you could write a word or phrase in Charlotte's web what would it be?

Example:

A word that could be in Charlotte's web would be, " Spectacular".
