First Impressions

Charlotte is well-spoken.
She know who she is.
She is considerate of her prey.
She is independent.
She thinks things through.

Did this character overcome a problem in the story? How?

Charlotte was able to keep her promise to Wilbur about making sure he stays alive by thinking of a solution. The problem was how to help her friend. She came up with the writing in her web as a solution which saved him.

She also was able to solve the problem of her egg sac. Her egg sac is safe with her web but Wilbur was able to bring her egg sac back to the farm until it was Spring time for them to be born.
